15th Annual Meeting of the European Council for Cardiovascular Research (ECCR)

Friday 8th - Sunday 10th October 2010

La Colle sur Loup - Nice, France

**MAIN ANNOUNCEMENT, PROGRAMME
AND REGISTRATION FORM**

(updated July 2010 with full oral programme)

WELCOME INVITATION

On behalf of the Executive Committee, we are pleased to invite you to attend the *15th Annual Meeting of the European Council for Cardiovascular Research (ECCR)*, which will be held from **Friday 8th - Sunday 10th October 2010 in La Colle sur Loup, Nice, France.**

The ECCR was formally established in 1997 to create within Europe a unique forum for active clinical and non-clinical researchers in the important field of blood pressure and cardiovascular research. The annual conference covers a broad range of subjects, including genetics of cardiovascular diseases, vascular biology, cardiac and renal aspects as well as modern strategies of prevention and therapy in cardiovascular disease.

This highly dynamic field is characterized by the rapid accumulation of new information that contributes to our understanding of the aetiology and pathophysiology of cardiovascular disease processes as well as to the development of better therapeutic strategies. Particular emphasis is put on the participation of both basic scientists and clinicians to foster the transmission of new scientific findings into clinical practice. Besides including invited keynote lectures, free oral presentations, workshops and hot topic sessions, the programme provides ample time for discussion both within and outside the scientific sessions. The Scientific Programme will include the following topics and sessions:

- Mechanosensitive channels and regulation of pressure
- Small artery structure: a target for cardiovascular therapy?
- Chronopharmacology of cardiovascular drugs
- miRNAs in cardiovascular disease
- Gender differences in cardiovascular disease
- Cell therapy and regenerative medicine

Plus free communication oral and poster sessions on:

- CNS and autonomic nervous system
- Vascular
- Clinical
- Cardiometabolic
- Genetics
- Endothelium
- Blood pressure and remodelling
- Cardiac
- Kidney and metabolic

We look forward to your active contribution to what we hope will again be an exciting meeting in support of cardiovascular research in Europe.

PROVISIONAL PROGRAMME

Friday 8th October 2010

- Transfers: Coaches depart Nice Airport at 10.00, 11.00, 12.00 and 13.00 hrs
- 10.00-14.15 Arrival and registration (lunch available 12.00-14.15 hrs)
- 14.15-15.30 **Session 1 CNS and Autonomic Nervous System**
- 14.15-14.25 1.1 NADPH oxidases as major source of oxidative stress in cardiovascular disease: diagnostic and therapeutic applications
H.H.H.W. Schmidt (Maastricht and Melbourne)
- 14.25-14.30 Discussion
- 14.30-14.40 1.2 Direct AT₂-receptor stimulation improves survival and neurological outcome after experimental stroke (MCAO) in mice
K. Schwengel, C. Thöne-Reineke, K. Lucht, P. Namsolleck, M. Horiuchi, M. Iwai, A. Hallberg, T. Unger, U. Steckelings (Berlin, Ehime and Uppsala)
- 14.40-14.45 Discussion
- 14.45-14.55 1.3 Treatment with the MEK1/2 inhibitor U0126 abolishes vasoconstrictor receptor upregulation in cerebral arteries and improves neurological outcome after subarachnoid haemorrhage in the rat
G.K. Povlsen, C.C. Larsen, M.N.P. Rasmussen, L. Edvinsson (Glostrup)
- 14.55-15.00 Discussion
- 15.00-15.10 1.4 Direct and selective AT₂-receptor stimulation reduces locomotor deficits and promotes neuroregeneration through induction of neurotrophins in an animal model of spinal cord injury
P. Namsolleck, F. Boato, K. Schwengel, C. Thöne-Reineke, K. Seidel, K. Lucht, A. Hallberg, S. Hendrix, T. Unger, U. Steckelings (Berlin, Uppsala and Diepenbeek)
- 15.10-15.15 Discussion
- 15.15-15.25 1.5 Calcitonin gene-related peptide (CGRP): an endogenous doping agent?
B. Schuler, M. Arras, R.B. Emeson, J.A. Fischer, W. Born, **J. Vogel** (Zurich and Nashville)
- 15.25-15.30 Discussion
- 15.30-16.00 *Tea*
- 16.00-17.30 **Session 2 Vascular**
- 16.00-16.10 2.1 Bitopic agonism of endothelins at arterial ET_A-receptors
M.G. Compeer, M.J.P.M.T. Meens, T.M. Hackeng, J.G.R. De Mey (Maastricht)
- 16.10-16.15 Discussion
- 16.15-16.25 2.2 Molecular characterization of Ca²⁺-activated Cl⁻ channels in vascular smooth muscle cells
V.S. Nielsen, T. Broegger, D.M. Broedtkjer Briggs, C. Aalkjaer, V.V. Matchkov (Aarhus)
- 16.25-16.30 Discussion
- 16.30-16.40 2.3 Endothelin-1, a key player during the onset of hypertension in the spontaneous hypertensive rat
J. Nelissen, B. Heijnen, P. Lemkens, H. van Essen, J. Bost, P. Schiffers, J. De Mey, H.A.J. Struijker-Boudier, B. Janssen (Maastricht)
- 16.40-16.45 Discussion

16.45-16.55	2.4	TLR4 ^{-/-} shows advantageous characteristics in a model of L-NAME-induced hypertension R. Eißler , S. Liskova, J. Zicha, C. Schmaderer, C. Aoqui, S. Chmielewski, D. Sollinger, O. Witzke, J. Lutz, U. Heemann, M. Baumann (Munich, Prague and Essen)
16.55-17.00		Discussion
17.00-17.10	2.5	Capillary rarefaction precedes the development of pre-eclampsia V. Nama , J. Onwude, I.T. Manyonda, T.F.T. Antonios (London and Chelmsford)
17.10-17.15		Discussion
17.15-17.25	2.6	Endogenous hydrogen sulfide (H ₂ S) and novel slow releasing H ₂ S donor compounds inhibit endothelial dysfunction induced by TNF- α , oxidative and nitrosative stress M. Whiteman , M. Chopra, M.E. Wood, J.L. Whatmore (Exeter)
17.25-17.30		Discussion

17.30-18.15 **Keynote Speaker:**
Mechanosensitive channels and regulation of pressure
E. Honoré (Nice)

18.15-19.00 *Drinks Reception*
19.00 *Dinner*

Saturday 9th October 2010

08.30-10.30		Session 3 Clinical
08.30-08.40	3.1	Retinal pulse wave velocity in male subjects with optimal to mild blood pressure values K.E. Kotliar , K. Eberhardt, H. Hanssen, M. Halle, U. Heemann, M. Baumann (Munich and Basel)
08.40-08.45		Discussion
08.45-08.55	3.2	AT ₁ -receptor blockade and insulin sensitivity in hypertensive subjects: the role of capillary recruitment A.M. Jonk , A.J.H.M. Houben, N.C. Schaper, P.W. de Leeuw, E.H. Serné, Y.M. Smulders, C.D.A. Stehouwer (Maastricht and Amsterdam)
08.55-09.00		Discussion
09.00-09.10	3.3	Reproducibility of left ventricular endocardial and epicardial rotation by speckle tracking in elderly individuals C. Park , K. March, A. Ghosh, T. Tillin, J. Mayet, N. Chaturvedi, A.D. Hughes (London)
09.10-09.15		Discussion
09.15-09.25	3.4	Long-term cardiovascular effects of adrenalectomy or medical treatment for primary aldosteronism (PA) M. Cesari, C. Cuspidi, M.V. Cicala, F. Mantero, A.C. Pessina, G.P. Rossi (Padova and Monza)
09.25-09.30		Discussion
09.30-09.40	3.5	Mitochondrial function in the failing human heart N. Stride , S. Larsen, M. Hey-Mogensen, R. Boushel, F. Dela, L. Kober (Copenhagen)
09.40-09.45		Discussion

09.45-09.55	3.6	Pulse-pressure predicts all-cause and cardiovascular mortality, cardiovascular events and progression to end stage renal failure in type 1 diabetic patients S. Theilade , M. Lajer, A. Jorsal, L. Tarnow, H-H Parving, P. Rossing (Gentofte, Copenhagen and Aarhus)
09.55-10.00		Discussion
10.00-10.25	3.7	<i>Speaker to be confirmed</i>
10.25-10.30		Discussion
<i>10.30-10.50</i>		<i>Coffee</i>
10.50-12.20		Session 4 – Cardiometabolic
10.50-11.00	4.1	CD36 inhibition prevents insulin resistance L.K.M. Steinbusch , Y. Angin, N. Hoebers, L. Ding, M. Diamant, D.M. Ouwens, J.F.C. Glatz, J.J.F.P. Luiken (Maastricht, Amsterdam and Dusseldorf)
11.00-11.05		Discussion
11.05-11.15	4.2	Vitamin D levels and asymptomatic coronary artery disease in type 2 diabetic patients with elevated urinary albumin excretion rate C. Joergensen , H. Reinhard, A. Schmedes, P.R. Hansen, N. Wiinberg, C.L. Petersen, K. Winther, H-H Parving, P.K. Jacobsen, P. Rossing (Gentofte, Vejle, Frederiksberg, Copenhagen and Aarhus)
11.15-11.20		Discussion
11.20-11.30	4.3	Different vasoactive effect of adherent adipose tissue during hypoxia in mice aorta and mesenteric arteries N. Maenhaut , C. Boydens, J. Van de Voorde (Ghent)
11.30-11.35		Discussion
11.35-11.45	4.4	Meal-related increases in microvascular vasomotion are impaired in obese individuals A.M. Jonk , A.J.H.M. Houben, N.C. Schaper, P.W. de Leeuw, E.H. Serné, Y.M. Smulders, C.D.A. Stehouwer (Maastricht and Amsterdam)
11.45-11.50		Discussion
11.50-12.00	4.5	Cardioprotective signaling of postconditioning is independent of Wnt and mTOR pathways F. Vigneron , B. Vinassa, S. Lemoine, T. Couffinhal, P. Dos Santos, C. Duplaa (Bordeaux)
12.00-12.05		Discussion
12.05-12.15	4.6	CRP and suPAR are differently related to cardiometabolic risk factors and measures of subclinical cardiovascular damage S. Lyngbaek , M.H. Olsen, J. Eugen-Olsen, J. Jeppesen (Gentofte, Glostrup and Hvidovre)
12.15-12.20		Discussion
<i>12.20-13.20</i>		<i>Lunch</i>
13.20-14.15		Poster Viewing

Visit to Fondation Maeght Art Museum, St. Paul de Vence

14.15
16.00

Coach departs La Colle sur Loup
Coach departs St. Paul de Vence for return to La Colle sur Loup

16.15-16.30

Tea

3 Parallel Workshops

Workshop 1: Chronopharmacology of CV drugs

Coordinators:	M. Fernandez-Alfonso (Madrid) and R. Hermida (Vigo)
16.30-16.50	W1.1 Chronotherapy for the reduction of cardiovascular risk R.C. Hermida (Vigo)
16.50-17.00	Discussion
17.00-17.20	W1.2 Changes in circadian rhythm of feeding behaviour as a cause of obesity M. Fernandez-Alfonso (Madrid)
17.20-17.30	Discussion
17.30-17.40	W1.3 Decreased urinary albumin excretion associated with the normalization of the circadian blood pressure pattern by angiotensin receptor blockade R.C. Hermida , D.E. Ayala, A. Mojon, J.R. Fernandez (Vigo)
17.40-17.45	Discussion
17.45-17.55	W1.4 Treatment of non-dipper essential hypertension by bedtime administration of angiotensin receptor blockers D.E. Ayala , R.C. Hermida, A. Mojon, J.R. Fernandez (Vigo)
17.55-18.00	Discussion

Workshop 2: miRNAs in Cardiovascular Disease

Co-Coordiators:	S.J. Pinto-Sietsma (Amsterdam) and A.J. van Zonneveld (Leiden)
16.30-16.50	W2.1 MicroRNAs in vascular injury and repair A.J. van Zonneveld (Leiden)
16.50-17.00	Discussion
17.00-17.20	W2.2 Circulating miRNAs as biomarkers for heart failure E.E. Creemers (Amsterdam)
17.20-17.30	Discussion
17.30-17.40	W2.3 Angiotensin II type 1 receptor signaling regulates microRNA expression by GAQ and ERK1/2 dependent mechanisms P.L. Jeppesen , G.L. Christensen, M. Schneider, A.Y. Nossent, H.B. Jensen, D.C. Andersen, T. Eskildsen, S. Gammeltoft, J.L. Hansen, S. Sheikh (Odense, Copenhagen and Glostrup)
17.40-17.45	Discussion
17.45-17.55	W2.4 Silencing of endothelial cell enriched microRNA-126 is associated with elevated SDF-1 levels and the increase of SCA-1+ progenitor cells after ischemia reperfusion injury C. van Solingen , M. Monge, D.K. de Vries, L. Seghers, M.R. de Vries, R. Bijkerk, A.M. van Oeveren-Rietdijk, E.P. van der Veer, P.H.A. Quax, A.F.M. Schaapherder, H.C. de Boer, A.J. Rabelink, A.J. van Zonneveld (Leiden)
17.55-18.00	Discussion

Workshop 3: Gender Differences in Cardiovascular Disease

Coordinators:	J.F. Arnal (Toulouse) and D. Henrion (Angers)
16.30-16.50	W3.1 The role of estrogens in cardiovascular disorders J-F. Arnal (Toulouse)
16.50-17.00	Discussion
17.00-17.20	W3.2 The effect of gender on vascular remodeling D. Henrion (Angers)
17.20-17.30	Discussion
17.30-17.40	W3.3 Lack of mid-trimester blood pressure drop in normal pregnancy V. Nama , T.F.T. Antonios, J. Onwude, I.T. Manyonda (London and Chelmsford)
17.40-17.45	Discussion
17.45-17.55	W3.4 Cutaneous anti-ischemic effects of 17 β -estradiol and testosterone: strong prevention of skin flap necrosis C. Chenu, C. Toutain, L. Brouchet, F. Boudou, I. Raymond-Letron, J.F. Arnal, F. Lenfant (Toulouse)
17.55-18.00	Discussion

18.00-18.45

Keynote Lecture:

Cell therapy – a viable option for treatment of cardiovascular disease
D. Atsma (Leiden)

18.45-19.00

ECCR Business Meeting

19.45

Drinks Reception, Terrace

20.15

Conference Dinner, Main Restaurant

Sunday 10th October 2010

08.30-10.00

Session 5 Genetics

08.30-08.40

5.1 Functional analysis of biglycan molecular promoter haplotypes
B. Schmitz, R. Telgmann, E. Brand, A. Rötrige, J. Fischer, M. Paul, S.M. Brand (Münster, Essen and Maastricht)

08.40-08.45

Discussion

08.45-08.55

5.2 Enhanced myocardial angiogenesis by gene transfer with transplanted cells
P. Pollice, F. Pollice, F. Rubens (Ottawa)

08.55-09.00

Discussion

09.00-09.10

5.3 Early dystrophin disruption in the pathogenesis of experimental chronic Chagas cardiomyopathy
C.M. Prado, M.R.N. Celes, L.M. Malvestio, E.C. Campos, L.A. Jelicks, J.S. Silva, H.B. Tanowitz, M.A. Rossi (Ribeirao Preto and New York)

09.10-09.15

Discussion

09.15-09.25

5.4 Genotype-phenotype relationships in vascular Ehlers-Danlos syndrome: analysis of 104 cases
A.L. Fauret, L. Bal, **L. Golmard**, B. Ranque, M. Frank, C. Travers, J. Perdu, E. Messas, H. Plauchu, J.N. Fiessinger, D. Germain, J. Emmerich, X. Jeunemaitre (Paris, Lyon and Garches)

09.25-09.30

Discussion

- 09.30-09.40 5.5 Levels of platelet-specific microRNAs are altered in subjects with premature coronary artery disease
B.M. Sondermeijer, A. Bakker, P.D. Moerland, J.A. Marquart, J.C.M. Meijers, E.E.J.M. Creemers, S.J. Pinto-Sietsma (Amsterdam)
- 09.40-09.45 Discussion
- 09.45-09.55 5.6 Under-expression of the Twik-related acid-sensitive K⁺ channel 2 (TASK-2) gene in aldosterone-producing adenoma
 L. Lenzi, T.M. Seccia, B. Carocchia, G. Skander, S. Ferraro, C. Recarti, M.R. Pelizzo, A.C. Pessina, **G.P. Rossi** (Padova)

09.55-10.00 Discussion

10.00-12.00 **Coffee and Parallel Chaired Poster Discussion Groups:**

Poster Groups:

- PA Vascular
- PB Endothelium
- PC Blood pressure and remodelling
- PD Clinical
- PE Cardiac
- PF Kidney and metabolic

12.00-12.50 **Keynote Lecture:**
 Mechanisms underlying the excess cardiovascular risk associated with diabetic nephropathy
P. Rossing (Gentofte)

- 13.00-13.10 Presentation of Prizes and Close of Meeting. Lunch available
- 13.10/14.00 Coaches depart

NB: The Programme is correct at the time of posting on the website, and the Secretariat accepts no liability for any changes made at a later date.

LEGAL NOTICES – Disclaimer & Privacy Statement

All best endeavours will be made to present the programme as printed. However, the Conference Secretariat reserve the right to alter or cancel, without prior notice, any of the arrangements, timetables or plans relating directly or indirectly to the conference, for any cause beyond their reasonable control. The Conference Secretariat are not liable for any loss or inconvenience caused as a result of such alterations. Participants are advised to take out their own travel insurance and to extend their personal policy to cover personal possessions: the conference does not cover individuals against cancellations of bookings or theft of belongings. **In the event that the meeting is cancelled by the organisers, or cannot take place for any reason outside the control of the organisers, the registration fee shall be refunded in full. The liability of the organisers shall be limited to that refund and the organisers shall not be liable for any other loss, cost or expense, howsoever caused, incurred or arising.** The Secretariat will hold and process your personal details on our database. This information is necessary for the legitimate management of this conference, which may include it being available to any organising/sponsoring company. We may also use these details to provide you with information of other conferences or events. Please advise us should any of your details change. You may of course remove your details from our database by advising us in writing, at any time.

GENERAL INFORMATION

VENUE

The meeting will be held in Club Belambra in La Colle sur Loup, a holiday resort built in the style of a Provençal village around a square with century-old olive trees and situated in a hillside pine grove (www.belambra-vvf.fr). The venue offers leisure facilities - outdoor swimming pool, tennis courts, mini-golf and volleyball/basketball courts. A dedicated internet area will be available for ECCR delegates. All lectures, accommodation and meals will take place in the venue.

La Colle sur Loup, set inland, 6 km from the sea and 20 minutes from Nice Airport

COACH TRANSFERS

Coach transfers will be provided between Nice Airport (20 minute transfer time) and the venue on Friday morning and Sunday lunchtime (registered delegates will be asked to complete a Coach Transfer Form, to inform the Secretariat of their flight arrival details).

Coach transfer times:

Friday 8th October: Depart Nice Airport at 10.00, 11.00, 12.00 and 13.00 hrs
Sunday 10th October: Depart La Colle sur Loup at 13.10 and 14.00 hrs

Optional Visit to Fondation Maeght Art Museum and St. Paul de Vence

There will be an optional visit to the Fondation Maeght Art Museum, St. Paul de Vence on Saturday afternoon (15 minutes by coach from the conference venue). This modern art museum contains works by artists such as Miro, Giacometti, Calder, Chagall and Braque (please see www.fondationmaeght.com and www.maeght.com/musee for further details of the Summer Exhibition). Please note that there is a five minute uphill walk from the coach drop-off point to the Museum entrance.

Alternatively, delegates may wish to visit the picturesque medieval town of St. Paul de Vence, without visiting the Art Museum. The coach will drop delegates off at the coach park for the Museum, and delegates can then walk 5-10 minutes into the town. Please note that guides will not be provided for either of these visits.

Please indicate your preferred option on the Registration Form or on-line payment site and include the appropriate payment to cover the costs (€ 20.00 for coach transfer and Museum entrance fee, € 10.00 for coach transfer only).

REGISTRATION

The conference is open to all active research workers in the cardiovascular field. Priority for places at the conference will be given to presenting authors or co-authors of an abstract accepted for oral or poster presentation. All registration forms must be accompanied by the appropriate payment. The registration fee is **€ 350.00 for ECCR Members and € 400.00 for Non-Members**, which includes:

- ✓ Access to all scientific sessions and conference materials
- ✓ Accommodation in single ensuite room for two nights
- ✓ Coach transfers between Nice Airport and La Colle sur Loup
- ✓ Publication of abstract in *Hypertension*
- ✓ All meals from Friday to Sunday lunchtimes

Please note that we are unable to offer a reduced registration fee for delegates who do not require accommodation or all meals during the conference.

IMPORTANT – It will **NOT** be possible to register on site at the meeting – advance registration is **essential**.

ACCOMMODATION

Accommodation (ensuite with shower) is provided at the Club Belambra resort in La Colle sur Loup on Friday 8th and Saturday 9th October 2010. All room extras (bar bills, telephone calls etc.) are the delegates' responsibility.

METHOD OF PAYMENT

- By cheque or bank draft (in euros only, made payable to 'ECCR')
- By credit card (Visa/Mastercard only, unfortunately we are unable to accept American Express or debit cards)
- On-line registration – please register via the website at www.eccr.org. For payments by credit card (including on-line payments) some additional charges apply. Please see the registration page and the website for full details.

CONFIRMATION AND JOINING INSTRUCTIONS

Registered delegates will be sent confirmation of their place at the meeting, together with a receipt for payment and Coach Transfer Form and directional maps. Further details, including the full programme, will be available on the ECCR website (www.eccr.org) one month prior to the start of the conference. Delegates are requested to return the Coach Transfer Form to the Secretariat as soon as possible.

CANCELLATIONS

The registration fee and/or the Art Museum/Coach fee will be refunded with a 25% deduction, provided that written notice is received before 1st September 2010. No refunds will be made for cancellations received after this date, although name substitutions will be accepted at any time. All refund payments will be made after the conference.

ECCR REGISTRATION FORM: 8th - 10th October 2010, Nice, France
 for Post/Fax Registrations – Delegates wishing to register ON-LINE should go to www.eccr.org

Last/Family Name: First Names:

Prof/Dr/Mrs/Miss etc: Male Female

Speciality: Grade:

Work Address:

.....

.....

Post Code: E-mail:

(It is important that you include an e-mail address so that notification can be sent to you when final details are available on-line)

Business Tel. No: Fax No:

Registration Fee	<i>Please tick (✓) relevant box</i>	PAYMENT (euros)
Payment includes access to all scientific sessions, conference materials, coach transfers and accommodation/meals (as shown below). Please note that we are unable to offer a reduced fee for delegates who do not require accommodation or all meals.	<input type="checkbox"/> ECCR Member €350.00	€
	<input type="checkbox"/> Non-Member €400.00	€
Fondation Maeght Art Museum – Saturday 9th October Payment includes entrance fee to the Art Museum and return coach transfers between the venue and the museum in St. Paul de Vence tickets @ €20.00 each	€
St. Paul de Vence (coach transfer only) – Sat 9th October Payment includes return coach transfers only between the venue & the drop-off point for the Art Museum in St. Paul de Vence (5-10 min walk to town) tickets @ €10.00 each	€
TOTAL AMOUNT (euros)		€

Requirements	<i>Please tick (✓) relevant box</i>	Friday 8th Oct	Saturday 9th Oct	Sunday 10th Oct
I will require dinner on:		<input type="checkbox"/> Yes <input type="checkbox"/> No	<input type="checkbox"/> Yes <input type="checkbox"/> No	n/a
I will require accommodation on:		<input type="checkbox"/> Yes <input type="checkbox"/> No	<input type="checkbox"/> Yes <input type="checkbox"/> No	n/a
Dietary Requirements: <input type="checkbox"/> Vegetarian <input type="checkbox"/> Other (Please state foods that you are unable to eat)				
Access needs <input type="checkbox"/> (please specify, e.g. wheelchair user, mobility difficulties, hearing impaired etc)				

Payment Details	<i>Please fully complete – all sections are essential in order to process payment All payments must be in Euros</i>
<input type="checkbox"/> By Cheque/Bank Draft	Payable to 'ECCR' in Euros (sterling cheques cannot be accepted)
Please note: - Unfortunately we are unable to accept payments by American Express or debit cards - Credit card payments (MasterCard and Visa) are subject to an additional charge of 2.95%. - If your card account is not in euros, the payment will be converted into your own currency by your card issuer. The card issuer will use the exchange rate in effect on the day payment is taken, and they may also charge you a currency conversion fee	Credit Card: Please deduct the total sum due from: <input type="checkbox"/> MasterCard <input type="checkbox"/> Visa
	Card No:
	Expiry Date: Cardholder's Signature:
	Card Security Code (last 3 digits of code on the back of the card):
	Name and address (including post code) of the cardholder:

By returning the completed registration form you are confirming agreement for your name and town being listed on the participants list, to your e-mail address being used by the Secretariat and to the terms and conditions of the meeting including credit card charges and cancellation policies outlined on the preceding pages.	

Hampton Medical Conferences may make your contact details available to selected third parties that may be of interest to you. If you do NOT want your details to be passed on, please tick here:

Please return to: ECCR – Conference Registration, Hampton Medical Conferences Ltd., 113-119 High Street, Hampton Hill, Middlesex, TW12 1NJ, U.K. (Fax: +44 (0) 20 8979 6700 – for credit card registrations only)
